(Queen; arr. by Al Yankovic)

Is this the real life

Is this just fantasy

Caught in a landslide

No escape from reality

Open your eyes

Look up to the skies and see

I'm just a poor boy, I need no sympathy

'Cause I'm easy come, easy go

Little high, little low

Anyway the wind blows doesn't really matter to me, to me

Mama, just killed a man

Put a gun against his head

Pulled my trigger now he's dead

Mama, life had just begun

But now I've gone and thrown it all away

Mama, ooo...didn't mean to make you cry

If I'm not back again this time tomorrow

Carry on, carry on, as if nothing really matters

Too late, my time has come

Sends shivers down my spine

Body's aching all the time

Goodbye everybody-I've got to go

Gotta leave you all behind and face the truth

Mama, ooo

I don't want to die

I sometimes wish I'd never been born at all

I see a little silhouette of a man

Scaramouch, scaramouch, will you do the Fandango

Thunderbolt and lightning-very, very frightening me

Gallileo, Gallileo

Gallileo, Gallieo

Gallileo figero-Magnifico...Hey! Hey! Hey!

I'm just a poor boy, nobody loves me

He's just a poor boy from a poor family

Spare him his life from this monstrosity

Easy come, easy go, will you let me go?

Bismillah! No, we will not let you go-let him go

Bismillah! We will not let you go-let him go

Bismillah! We will not let you go-let him go

Will not let you go-let me go  
Will not let you go -let me go  
No, no, no, no, no no no no no!  
Oh mama mia, mama mia, mama mia let me go  
Beelzebub has a devil put aside for me, for me, for me  
So you think you can stone me and spit in my eye  
So you think you can love me and leave me to die  
OH baby-Can't do this to me, baby  
Just gotta get out-just gotta get right outta here  
Nothing really matters  
Anyone can see  
Nothing really matters  
Nothing really matters to me  
Anyway the wind, anyway the wind  
Anyway the wind blows-Hey!
