(Al Yankovic)

When I said I'd be faithful  
When I promised I'd be true  
When I swore that I could never  
Be with anyone but you  
When I told you that I loved you  
With those tender words I spoke  
I was only kidding  
Now, can't you take a joke?

When I said that I need you, baby  
When I told you I really care  
When I said that I can't live without you  
When I said I'd follow you anywhere  
When I said you could always trust me  
When I said I'd never leave you flat  
Well, gues what? I was only kidding, baby  
I can('t belieeeeeeeve you fell for that! You're so gullible...

CHORUS

(I was only kidding) I was only kidding  
(I was only kidding) I was only kidding  
I was only kidding  
Now I'm sorry if you misunderstood, but the fact  
remains  
(I was only kidding) I was only kidding  
(I was only kidding) I was only kidding  
Well I guess I got you pretty good, now listen

When I said that I love you baby  
>From the very bottom of my heart  
When I said that I miss you so baby  
Every second that we're apart  
When I sore that you're just getting more and more  
Beautiful every day  
Well, I was only kidding, honey  
Whaat's that matter with you anyway?  
Let me tell you something

CHORUS+

Well I guess it probably hurts you a bit,  
But you gotta know  
I really love you...NOT!

When I said you oughta marry me  
When I said that we should settle down  
Well, I was pullin' your leg there, honey  
I was just foolin' around  
You see, I-I never meant to upset you, darlin'  
I never meant to hurt anyone  
I was only kidding, baby  
Why don't you just put down that gun?  
Let's talk this over

CHORUS+

Watch where you're pointing that thing!  
Hey, I'm sorry if your heart is broke  
You gotta realize

CHORUS
