I don't care about your karma.  
I don't care about what's hip.  
No space cadet's gonna tell me what to do.  
I won't swim in your Jacuzzi.  
You can't make me settle down.  
I'd rather kick and jump and bite and scratch,  
And scream until I'm blue.  
I may as well be hyper,  
As long as I'm still around.  
'Cause I'll have lots of time to be laid back,  
When I'm six feet under ground.

#### CHORUS:

I'll be mellow when I'm dead. (6 times)  
When are you  
Cosmic cowboys  
Gonna get it through your head.  
I'll be mellow when I'm dead. (6 times)

I can't stand the smell of incense.  
I don't really like to jog.  
No Joni Mitchell eight-tracks in my car. (ooh)  
I hate anything organic.  
Even health food makes me sick.  
You won't catch me sipping Perrier  
Down in some sushi bar.  
I tell you, now's the time to go for  
All the gusto you can grab.  
You'll have plenty of time to be low-key  
When you're laid out on the slab.

#### CHORUS

I don't want no part of that vegetarian scene.  
I won't buy me a pair of designer jeans.  
No redwood hot tub to my name.  
I got all that I want,  
And if it's all the same to you,  
I don't need a course in self-awareness  
To find out who I am.  
And I'd rather have a

Big Mac or a Jumbo Jack  
Than all the bean sprouts in Japan!

So don't ask me what I'm into.  
I don't need to prove I'm cool.  
I'll break your arm,  
If you ask me what's my sign.  
I won't tell you where my head's at.  
I don't need to see no shrink.  
Psychosis may be in this year,  
But I'm really not that kind,  
And I'm in no hurry to be casual.  
In fact I think I'll wait  
Until I'm pushing up the daisies.  
(Like, wow, man, can you relate?) I'll be mellow when  
I'm dead. (9 times)
