\*One More Minute\* by "Weird" Al Yankovic

Well I heard that you're leaving  
Gonna leave far behind  
'Cause you found a brand new lover  
You decided that I'm not your type

So I pulled  
Your name out of my Rolladex  
And I tore all your pictures in two  
And I burned down the malt shop  
Where we used to go  
Just because it reminds me of you.....

That's right  
You ain't gonna see me crying  
I'm glad that you found somebody new  
'Cause I'd rather spend eternity  
Eating shards of broken glass  
Than spend one more minute with you.

I know I may seem kinda bitter  
You got me feeling down in the dumps  
'Cause I'm stranded all alone  
In the gas station of love  
And I have to use the self-service pump...

Oh so honey,  
Let me help you with that suitcase  
You ain't gonna break my heart in two  
'Cause I'd rather have a hundred-thousand  
Paper cuts on my face,  
Than spend one more minute with you..

I'd rather rip out my intestines with a fork

Than watch you going out with other men  
I'd rather slam my fingers in a door,  
Again, and again, and again, and again, and again

Oh can't you what I'm trying to say, darlin'

I'd rather have my blood sucked out by leaches  
Or shove an ice-pick under a toe nail or two  
I'd rather clean all the bathrooms  
In Grand Central Station, with my tongue..  
Than spend one more minute with you

I'd rather jump naked on huge pile of thumbtacks  
Or stick my nostrils together with Krazy-Glue  
I'd dive in a swimming pool filled with  
Double-edged razor blades  
Than spend one more minute with you

I'd rather rip my heart  
Right out of my ribcage  
With my bare hands  
And throw it on the floor and  
Stomp on it till  
I die....

Than spend one more minute with you.....
