(parody of "Waterfalls" by TLC)
Mom and dad are goin' out for the evening
And you're stuck inside the house all alone
That's when you decide it might be fun to harrass [sic]
someone
Dial a random number up on your telephone
You ask if their refrigerator is running
Then you tell 'em they should go out and catch it
Buddy, if they ever figured out where you were callin'
'em from
They'd come and bust your head right in with a ratchet
Listen to me
Don't go makin' phony calls
Please stick to the seven-digit numbers you're used to
I know that you think it's funny drivin' folks right up the
wall
But it's really gettin' old fast
Little Melvin has a natural obsession
Askin' for Prince Albert in a can
He gets a kick each time he makes a collect call
To some guy he doesn't know who lives in Japan
He's callin' strangers up at three in the morning
Gives 'em pizza pie delivery at four
He won't be laughin' when they're tracin' his line
One day the phone police will be there at his door
Yo, hear me
Don't go makin' phony calls
Only dial the seven-digit numbers you're used to
Swear someday I'm gonna yank that phone cord right
out from the wall
How long is this phase gonna last?
Come on
[excerpt from "The Simpsons" TV show:]
Moe: "Moe's Tavern, where the elite meet to drink."
Bart: "Uh, yeah, hello, is Mike there? Last name Rotch."
Moe: "Hold on, I'll check Mike Rotch? Mike Rotch?
Hey, has anybody seen Mike Rotch lately?
Listen to me, you little puke!
One of these days I'm gonna catch you,
and I'm gonna carve my name on your back with an ice
pick!"

Bart: "Ha ha ha ha ha."
Don't go makin' phony calls
Please stick to the seven-digit numbers you're used to
You went through the New York City phone book and
prank-called 'em all
Hope that you grow out of this fast
