(polka medley of various songs by various artists)

["Loser" by Beck]

Soy un perdedor

I'm a loser, baby

So why don't you kill me?

(Everybody!)

So un perdedor

I'm a loser, baby

So why don't you kill me?

Hey!

["Sex Type Thing" by Stone Temple Pilots]

I am I am I am

I said I wanna get next to you

I said I'm gonna get close to you

You wouldn't want me have to hurt you too

Hurt you too

I know you want what's on my mind

I know you like what's on my mind

I know it eats you up inside

I know ya know ya know ya know

Here I come, I come, I come

Here I come, I come, I come

["All I Wanna Do" by Sheryl Crow]

'Cause all I wanna do is have some fun

I got a feelin' I'm not the only one

All I wanna do is have some fun

I got a feelin' I'm not the only one

All I wanna do is have some fun

Until the sun comes up over Santa Monica Boulevard

["Closer" by Nine Inch Nails]

(Help me) I broke apart my insides

(Help me) I've got no soul to sell

(Help me) The only thing that works for me

Help me get away from myself

I wanna you like an animal

I wanna feel you from the inside

I wanna you like an animal

My whole existence is flawed

You get me closer to God

Hey!

Hey!

Hey!

["Bang And Blame" by R.E.M.]

You bang, bang, bang, bang and bang

Blame, blame, blame

You bang, bang, bang, bang and bang

It's not my thing, so let it go

["You Oughta Know" by Alanis Morissette]

Cause the love that you gave that we made

Wasn't able to make it enough for you to be open wide

(No!)

And every time you speak her name

Does she know how you told me you'd hold me

'Til you died

'Til you died

But you're still alive

And I'm here to remind you

Of the mess you left when you went away

It's not fair to deny me

Of the cross I bear that you gave to me

Yo-o-o-o-o-ou oughta know

Hey!

["Bullet With Butterfly Wings" by Smashing Pumpkins]

Despite all my rage

I am still just a rat in a cage

Despite all my rage

I am still just a rat in a cage

And someone will say

What is lost can never be saved

Despite all my rage

I am still just a rat in a cage

["My Friends" by Red Hot Chili Peppers]

I love all of you

Hurt by the cold

So hard and lonely too

When you don't know yourself

["I'll Stick Around" by Foo Fighters]

I don't owe you anything

I don't owe you anything

I don't owe you anything

I don't owe you anything

["Black Hole Sun" by Soundgarden]

Black hole sun, won't you come

And wash away the rain

Black hole sun, won't you come

Won't you come

(Black hole sun, black hole sun)

Won't you come

(Black hole sun, black hole sun)

Won't you come

(Black hole sun, black hole sun)

["Basket Case" by Green Day]

Do you have the time
To listen to me whine
About nothing and everything all at once
I am one of those
Melodramatic fools
Neurotic to the bone, no doubt about it
Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
And am I just paranoid?
Or am I just stoned?
["Ear Booker Polka" by Al Yankovic]
Or am I just stoned?
Hey!
