(Al Yankovic)

It took a lifetime but I finally found  
The perfect waffle recipe  
You'll never find a batter any better in this whole  
stinkin' town  
One little bite and I'm sure that you'll agree  
Your eyes roll back and your knees get weak  
Aw, you're gonna lick your plate clean  
People come from miles around just to study my  
technique  
I make the best darn waffles this world has ever seen  
I'm the Waffle King (Waffle King)...yeah  
Waffle King (Waffle King)  
That's what they call me  
Waffle King (Waffle King)  
Hey, I'm the Waffle King  
Everywhere I go now the people cheer  
I never have to wait in line  
People say, "Right this way, sir...Your money's no good  
here."  
Some day I betcha they'll build me a shrine  
And everybody say, "Well I'm your biggest fan!"  
"I seen your picture in People Magazine!"  
Folks come from around the world just to shake my  
hand  
If you don't believe in the power of the waffle  
Lemme show you just what I mean  
I'm the Waffle King (Waffle King)  
Make you want to scream and shout  
Waffle King (Waffle King)  
That's my name, don't wear it out  
Waffle King (Waffle King)  
Make no mistake about it  
I'm the Waffle King...yeah  
Roll out the red carpet 'cause here I come  
All you peons better scram  
Out of my way now, you worthless piece of scum  
Don't you know who I am?  
Hey!  
I wanna see you grovel you waffle-eatin' fools  
Everybody on your knees

You wanna buy a waffle, you're playin' by MY rules  
Go on, beg me...let me hear you say pretty please  
Can't you tell the universe revolves around me?  
Don't you know you suckers owe me everything?  
And can't you see that I'm the highest form of life that  
there could ever be?  
Everybody all around the world, stand up and sing  
Come on now...  
Waffle King  
Hey batter batter  
Waffle King  
Hot on your platter  
Waffle King  
Say, what's the matter  
Don't you know who I am?  
Don't you know who I am?  
Tell 'em, girls  
(He's the wa wa wa wa wa wa Waffle King)  
Yeah yeah  
(He's the wa wa wa wa wa wa Waffle King)  
Tell the truth now  
(He's the wa wa wa wa wa wa Waffle King)  
Don't you know who I am?  
Don't you know who I am?
