(Al Yankovic)

We've been together for so long
But now things are changing, oh I wonder what's
wrong?
Seems you don't want me around
The passion is gone and the flame's died down

I guess I lost a little bit of self-esteem
That time that you made it with the whole hockey team
You used to think I was nice
Now you tell all your friends that I'm the Antichrist

Oh, why did you disconnect the brakes on my car? That kind of thing is hard to ignore Got a funny feeling you don't love me anymore

I knew that we were having problems when You put those piranhas in my bathtub again You're still the light of my life Oh darling, I'm begging Won't you put down that knife?

You know, I even think it's kinda cute the way You poison my coffee just a little each day I still remember the way that you laughed When you pushed me down the elevator shaft

Oh, if you don't mind me asking, what's this poisonous cobra

Doing in my underwear drawer? Sometimes I get to thinking you don't love me anymore

You slammed my face down on the barbecue grill
Now my scars are all healing, but my heart never will
You set my house on fire
You pulled out my chest hairs with an old pair of pliers

Oh, you think I'm ugly and you say I'm cheap You shaved off my eyebrows while I was asleep You drilled a hole in my head Then you dumped me in a drainage ditch and left me for dead Oh, you know this really isn't like you at all You never acted this way before Honey, something tells me you don't love me Anymore, oh no no Got a funny feeling you don't love me anymore Eric Wincentsen 267@ef.gc.maricopa.edu Glendale Community College, Glendale, Arizona "Why can I do this?
