

Tito & Tarantula "After Dark"

Watching her
Strolling in the night
So white
Wondering why
It's only After Dark

In her eyes
A distant fire light
Burns bright
Wondering why
It's only After Dark

I find myself in her room
Feel the fever of my doom
Falling falling
Through the floor
I'm knocking on the Devil's door

In the Dawn
I wake up to find
Her gone
And a note says
Only After Dark

Burning burning
In the flame
Now I know her
Secret name
You can tear her temple down
But she'll be back
And rule again

In my heart
A deep and dark
And lonely part
Wants her and
Waits for After Dark
