When i sing
I'm not a singer
And when i dance
I ain't a dancer
When i cry
I'm not a cryer
And when i lie
I ain't a liar

I'm not trying to start scene
Darlin' don't you want to
I'm not trying to start scene
I wanna come out clean

When you break
While you're not broken
(can't figure this one out)
When you cry there's always more
When you lie,well i don't care

I'm not trying to start scene
Darlin' don't you want to
I'm not trying to start scene
I wanna come out clean

When i sin
I'm not a sinner
When i fly
I'm not a flyer
When i dream
I'm not a dreamer
When i try
I'm not a tryer

I'm not trying to start scene
Darlin' don't you want to
I'm not trying to start scene
Darlin' don't you want to
I'm not trying to start scene
I wanna come out clean

I wanna come out clean

I wanna come out clean

I want to come clean...

I'm not trying to start scene

I wanna come out clean
