Send me a sign, or some kind,
We shall miss your misery,
Come into our dreams,
And sing us a song,
Sing us a song,
We'll all sing along,

Now that you're gone,
I never think of you,
Now that you're gone,
I never think of you again,

One day you live, you die,
It always happens to the best,
What the fuck where you thinkin',
You did it again,
You did it again,
For the last time my friend,

Send me a sign, or some kind,
We shall miss your misery,
Come into our dreams,
And sing us a song,
Sing us a song,
For the last time my friend,

Now that you're gone,
I never think of you,
There's only one,
Who really knows the truth,
Now that you're gone,
I never think of you, again...
