"Pretty Wasted"

I'm sick and tired
And i can't take anymore pain
I'm pretty wasted and you've taken everything

I'm not alright,
I'm not alright,
I'm not alright,
I'm not alright,

Take me away
Away from this place
Away from myself
Away from my face
Well try not to talk
About what we've lost
About what we've left behind

I take two wires(?)
And i can't play anymore games
I'm pretty wasted,
Yes you've shaken everything

I'm not alright,
I'm not alright,
I'm not alright,
I'm not alright,

Take me away
Away from this place
Away from myself
Away from my face (4X)
Well try not to talk
About what we've lost
About what we've left behind
