I'm wearing my best suit  
With an arm full of roses  
A binge is in the cards  
And I know it  
Every blur  
Is a passing town  
Every silent  
Slur profound

I wrote you a song  
But I forgot it  
While I was away  
Did you miss me?  
I need a drink  
Before I see you  
My suits getting wrinkled  
I dreamed you drowned  
In the Rio Grande  
I need a drink before I go

Screaming silent train  
Riding down the main line  
Screaming silent train  
I'm on my way  
To see you again

I heard a rumor  
U disappeared  
But I know it better  
I dreamed you rising  
Out of the river  
On fire  
My heart's desire  
You needed one who understood  
I need a drink before I go

Screaming silent train  
Riding down the main line  
Screaming silent train  
I'm on my way  
To see you again

Screaming silent train  
Riding down the main line  
Screaming silent train  
I'm on my way  
To see you again

Screaming silent train  
Screaming silent train  
Screaming silent train  
Screaming silent train  
Screaming silent train  
Screaming silent train
