Let go of your love
Ride his pulse and
You'll forget
Show down your
Time will come
If not tonight
Surely by the dawn
Take it like a man
The strange face of love
A cat's eye a lizard's tail
The pentagram
He bought in hell
He stalks the night
With no intent
His brow sweats
For innocence
Take it like a man
The strange face of love
Don't look back
Don't look back
He's right on your trail
Don't look back
Do'n look back
He's just a step away
From Hell
Don't look back
Don't look back
Into the
Strange face of love
The rain's soul
Makes killer cry
He wants desperately to die
But fast and skillfully forgets
He's back on the streets
With no regrets
Don't look back
Don't look back
He's right on your trail
Don't look back
Don't look back
He's just a step away

From Hell
Don't look back
Don't look back
Into the
Strange face of love
