It's hot and sleazy
Vibrations come
Mean & easy
Like youth on the run
So proud & beautiful
Live & breathe it all
Rocker boys're posin'
& the punk girls call

Out at night in the street
With the world at my feet
Summer's here calling me
How I love to feel the heat

The girlies wanna do it
But don't know what
Runaways got tight pants on
& they're ready to suck
Mary's selling her puppies
She found in a box
Falafel dude is giving out
Gyros with Tahini sauce

Out at night in the street
With the world at my feet
Summer's here calling me
How I love to feel the heat

Cholo boys pull up their
Beautiful impala
Blasting their songs
Punk girls look away & flip'em off
As they pump up their arms
And just for a moment
It all looks good
Love is Brewing
Under the hood

Out at night in the street
With the world at my feet
Summer's here calling me
How I love to feel the heat

Out at night in the street
With the world at my feet
Summer's here calling me
How I love to feel the heat
