Well everytime I turn my back
I get the feelin that
I'm 'bout to take a shot to the skully with a bat
I'm out of control
Need You to fill my soul up
And could you shed a little light
On the skeletons holed up
My past
Is taking me to task
And I can't guarantee how much longer I'll last
Without You I'm a hopeless wreck
So I cry out Your name as I drop to the deck

(Prechorus)

Don't get me started, don't even get me started
(4X)

(Chorus)

I'm Yours
Take me as I am
I'm Yours
So won't You take this space between us
And fill it up again
I'm Yours
Take me as I am
I'm Yours
So won't You take this space between us
And fill it up

Simple-minded little punk
Thought I was the junk
Nobody ever told me that my doodoo stunk
What was I out of my mind
Or was I just trippin' on an ego
But You filled up this space
And You never let me go
Bullseye to the center of my soul
One shot but it rocked like a fatal blow
This love was Your gun
Mercy Your shells
Now I'm a dead man walking down a skinny trail

(Prechorus)

(Chorus)

Dead man walking
I'm gonna shout it from the rooftops
Give it all I got
Shout it from rooftops
So you can take your best shot
Shout it from the rooftops
Give it all I got
Shout it from the rooftops
Like it or not

(Chorus)
