Kicking back at the hood with some crazy vatos  
Got some hynas lined up pero pa'mas alrato  
Now I'm strolling down my calle and I'm packing my  
glock  
Seen a basehead on the way and I sold him some rock  
Put his twenty with my thirty and made a 5-0  
Went around the block to buy a sack of indo  
Now I'm strolling back smoking chronic on the way  
I gotta grab more dope to make feria for today  
Now I'm standing on my corner serving some d  
When some putos drove up and took a blast at me  
So I pulled out my quette and never hesitated  
Came up and started blasting cuz I knew they couldn't  
fade it

Toker's on the loose  
And I'm straight gang related

I shot a fool in the shoulder and one in the head  
Didn't know how bad it was or if that puto was dead  
Ran to the hood to let the homeboys know  
Ese keep trucha tonight cuz these putos might roll  
Took my quette to the spot where I knew it was cool  
Started packing another cuz that's the golden rule  
So I jumped in the ranfla that my homeboy Trigger had  
Hit a couple of corners and got rushed to the pad  
Hit up some brown khakis and a white t-shirt  
Put a lot of starch on it cuz I knew it couldn't hurt  
Sat back on the couch rolled up another ounce  
Couldn't help but laugh at these putos I shot  
Turned on the radio, it was Lighter Shade of Brown

Turn that shit back off cuz these putos ain't down  
Vatos these days, some of these putos come fake  
Talking gangster shit but didn't ever bust a grape  
You don't gotta like me cuz I've always been hated

Toker's on the loose  
And I'm straight gang related

Jumped in my ride, started bumping my signs  
Threw in an old tape of More Bounce to the Ounce  
Rolled down the street headed towards the hood  
But when I got there shit wasn't looking too good  
Two black and whites and a couple of narcs  
And on the hood of one car they had my homeboy  
Shark  
So I busted a U and headed back to the spot  
To question the homies on any info they got

The juras came back and they were looking for clues  
They got my homeboy Shark for having blood on his  
shoes  
They took him to the station to see if he would break  
Didn't say shit and got shot to East Lake  
Straight to K and L cuz the vato wouldn't tell  
Told the juras too (fuck off, go to hell)

And that's the only thing that was ever stated  
Cuz you don't say shit when you're gang related

Couldn't go to the hood for a week or two  
Always smoking some puto that I never knew

Just kept on banging and didn't take it serious  
Hitting ten dollar sticks and acting delirious  
Not giving a fuck about all the dirt we done  
We just sat back and laughed cuz this shit was all fun  
Toker's out banging and I can't be faded  
I'm a true ass loco and straight gang related
