=====

I'm catchin' this south bound train
I've had enough of the pouring rain
Chilled to the bone, I have to go

Love was never a friend of mine
The only friend that I have is time
It's down the track, ain't lookin' back

CHORUS:
Mexico, O Mexico
I long to see your border town
Mexico, O Mexico
Adios mi corazon

The cars are clickin' the night along
But all I hear is a heartbreak song
Haunting me, relentlessly

Come the morning and I will stand
On the banks of the Rio Grande
A brand new day, wash these tears away

CHORUS

There's nothin' like the feel
Of the steel against the steel
And you can't forget the crying of the rail
There's nothin' like the sight
Of a moonlite desert night
To heal a broken heart that was so frail

CHORUS
