He was the kind of guy who loved so unselfishly
And everyone could see what a prize he was
Everyone but me
I must be blind
I must be the kind
Who don't know what they have
'Till they're all alone and sad
There goes my baby
Like the sun falling out of the clear, blue sky
There goes my baby
And it's gonna be a cold, dark night
Now that I finally see
How I need him to be
Right here by my side
There goes my baby
Bye, bye, Baby, goodbye
How could I have a love so fine and not know what it's
worth
Maybe this empty heart he left behind
Is all that I deserve
What kind of fool
Finds a perfect jewel
And can't see how it shines
'Till she's all alone and crying
There goes my baby
Like the sun falling out of the clear, blue sky
There goes my baby
And it's gonna be a cold, dark night
Now that I finally see
How I need him to be
Right here by my side
There goes my baby
Bye, bye, Baby, goodbye
How I wish I could hold him in my arms and say
"This time I'm gonna treat him right!"
But it's too late!
There goes my baby
Like the sun falling out of the clear, blue sky
There goes my baby
And it's gonna be a cold, dark night
Now that I finally see

How I need him to be
Right here by my side
There goes my baby
Bye, bye, Baby, goodbye
Bye, bye, Baby, goodbye
Bye, bye, Baby, goodbye!
