I'm not quite sure what's goin' on
But all day through and all night long
I've been thinkin' about you
I've been thinkin' about you

The look in your eyes when you smile that way
The sound of your voice sayin' my name
I've been thinkin' about you
Just keep thinkin' about you

This single minded fascination I've got
Do you call it love
Well, if you don't then what
All I know is I don't know what you've done
And this of thought ain't about to jump
The track that it's on

In the back of my mind there's a secret place
But the whole world knows by the smile on my face
That I've been thinkin' about you
I can't stop thinkin' about you'
Think about it

This single minded fascination I've got
Do you call it love
If you don't then what
All I know is I don't know what you've done
And this train of thought and about to jump
The track that it's on

I know it's crazy calling you this late
When the only thing I wanted to say
Is I've been thinkin' about you
Oh, just keep thinkin' about you
Yeah, I can't stop thinkin' about you
Oh, I'm always thinkin' about you
And I do love thinkin' about you Yeah-
