I'll always love you,  
for the rest of my days.  
You have won my heart and soul,  
with your sweet and sexy ways.  
You gave me hope,  
when I needed someone near.  
You bring me happiness,  
everyday of the year, oooohh.

And I'll always love you,  
for all that you are. ( all that, you are)  
You have made my life complete,  
your my lucky star.  
You are the one,  
I've been searching for.  
You are my everything,  
tell me who could ask for more.

And I'll always love you,  
honey this will never end. nooo, noooo  
Need you by my side oh baby,  
your my lover, my friend.

You are the one,  
That I've been searching for.  
You are my everything,  
tell me who could ask for more.

(Hey baby, your my everything)

Coro: You are, my everything, ah ah ahah.

You're, my everything,  
that's why I love you.

Coro: You are, my everything, ah ah ahah.

Te quiero, te adoro,  
eres mi unico desoro.

Coro: You are, my everything, ah ah ahah.

I need you by my side,  
I hope you realize.

Coro: You are, my everything, ah ah ahah.

Como un jardin de rosas,  
van a reglando mis cosas.

Coro: You are, my everything, ah ah ahah.

You're my everything,  
and that makes me wanna sing.
