[Verse 3: Jadakiss]

Uh, you know me, K-I-S-S, Kiss of Death
LP soon come for ya, bless bless
I don't give a fuck about ya rock size
Nigga my guns is grandfather clocksize
The Winchester, the Thompson, the Bushmaster
They it, break something off and they push past ya
And you know they say, that it's better to kill 'em than
rob 'em
Cause informers are problems, set 'em in water you
could dissolve 'em
Cause it's a rat in every hood and everybody knows em
To whom it may, I'm the Don Jada
Specialize in purple haze, cocaine in the Mon-tega
Arm, leg, leg, arm, head, probly get nice
When I'm be-yond dead, get ya shit tight
You dudes is bitch, wear 'em if ya shoes'll fit
The game ain't changed, the rules just switched
