Baby we can talk all night
But that aint getting us nowhere
I've told you everything I possibly can
There's nothing left inside of here
And maybe you can cry all night
But that'll never change the way that I feel
The snow is really piling up outside
I wish you wouldnt make me leave here
I poured it on and I poured it out
I tried to show you just how much I care
I'm tired of words and i'm too hoarse to shout
But youve been cold to me so long
I'm crying icicles instead of tears
And all I can do
Is keep on telling you
I want you
I need you
But there aint no way I'm ever gonna love you
Now dont be sad
Cause 2 out of 3 aint bad
Now dont be sad

Cause 2 out of 3 aint bad

You'll never find your gold on a sandy beach

You'll never drill for oil on a city street

I know youre looking for a ruby in a mountain of rocks

But there aint no Coup de ville hiding at the bottom of a
CrackerJack box

I cant lie

I cant tell you that i'm something i'm not

no matter how i try

I'll never be able to give you something

something that i just havent got

Well theres only one girl that I will ever love

and that was so many years ago

And though I know i'll never get her out of my heart

She never loved me back, ooh i know

I remember how she left me on a stormy night

She kissed me and got out of our bed

And though I pleaded and I begged her not to walk out
that door

She packed her bags and turned right away

And she kept on telling me

she kept on telling me

she kept on telling me

I want you

I need you

But there aint no way i'm ever gonna love you

Now dont be sad

Cause 2 out of 3 aint bad

I want you

I need you

But there aint no way i'm ever gonna love you

Now dont be sad

Cause 2 out of 3 aint bad

Now dont be sad

Cause 2 out of 3 aint bad

Baby we can talk all night

But that aint getting us nowhere
