I still dream of you wakin' up, openin' your eyes
Like a little girl I once knew
Walkin' to the window, lookin' down on the street
You walk with me, and I walk with you

Well I thought it all over, it doesn't make any sense
Why did it fall apart, when it seemed so innocent?
You and I were like a light from a fallen star
You can't go back, you can't run away from your heart

Chorus:

Don't you look at me like that, 'cause I fall all over again
And I just can't hold on to your love anymore
Don't you look at me like that, 'cause I start all over
again
And it just can't be, like it was once before

Don't stand there in the rain, lookin' like some long lost
angel

(Solo)

You and I were like a light from a fallen star
You can't go back, you can't run away from your heart
Don't stand there in the rain, lookin' like some long lost
angel
(No, I never could turn away from you)

(chorus repeats out)
