EDDIE: Whatever happened to Saturday night  
When you dressed up sharp and you felt alright  
It don't seem the same since cosmic light  
Came into my life and I thought I was divine  
I used to go for a ride with a chick who'd go  
And listen to the music on the radio  
A saxophone was blowing on a rock n roll show  
And you climbed in the back and you really had a good  
time  
A good time

ALL: Hot Patootie bless my soul

I really love that rock and roll (repeat four times)

EDDIE: My head used to swim from the perfume I smelt  
My hands kind of fumbled with her white plastic belt  
I'd taste her baby pink lipstick and thats when I'd melt  
And she'd whisper in my ear tonight she really was  
mine  
Get back in the front and put some hair oil on  
Buddy Holly was singing his very last song  
With your arm around your girl you'd try to sing along.  
You felt pretty good cause you'd really had  
A good time

ALL: Hot patootie bless my soul

I really love that rock n roll (repeat eight times
