I'd never tell you one lie, I'd never let you down
I'd never leave, I'd be the one who'd always be around
Baby give me a chance
I'd pull the sun down from the sky to light your darkest
night
I wouldn't let one drop of rain fall down into your life
Put your heart in my hands
Baby believe me I could never do you wrong
And I would never paint your world blue
And if sometimes it seems I must have lost my mind
I might be crazy, but I'm crazy about you
I'd lie for you and that's the truth
Do anything you asked me to
I'd even sell my soul for you
I'd do it all for you
If you'd just believe in me
Just take a look in my eyes, you'll see a love that's blind
Just take a hold of my hand, I'll take you to paradise
Ain't a star that's too far
Your every wish will be a wish that I will make come true
And if you want the moon I swear I'll bring it down for
you
Let me into your heart
Believe me baby, got your name carved on my soul
'Cause you're the only one that I'll give it too
Go let'em say that I'm a fool to act this way
'Cause if I'm crazy, then I'm crazy 'bout you
I'd lie for you and that's the truth
Do anything you asked me too
I'd even sell my soul for you
I'd do it all for you
If you'd just believe in me
I'd lie for you and that's the truth
Move mountains if you want me to
I'd walk across the fire for you
I'd walk on the wild for you
If you'd just believe in me
And you will never see a day I'll ever break your heart
You'll see the sky fall down before it ever gets that far
I'll show you heaven every second that you're in my
arms

Baby I'm crazy, but I'm crazy 'bout you
I'd lie for you and that's the truth
Do anything you asked me too
I'd even sell my soul for you
I'd do it all for you
If you'd just believe in me
I'd lie for you and that's the truth
Move mountains if you want me to
I'd walk across the fire for you
I'd walk on the wild for you
If you'd just believe in me
I'd lie for you and that's the truth
Do anything you asked me too
I'd even sell my soul for you
I'd do it all for you
If you'd just believe in me
I'd lie for you and that's the truth
Move mountains if you want me to
I'd walk across the fire for you
I'd walk on the wild for you
If you'd just believe in me
I'd lie for you and that's the truth
