If a love as strong as ours

Couldn't make it all the way

Can anything make sense at all?

If a love so deep and true

Couldn't stand the test of time

Then Mount Everest could slide and Jerusalem could fall

Is nothing sacred anymore?

Is forever just another word?

Is a promise something people used to keep when love was worth fighting for?

If we can say goodbye

If we can say goodbye

Is nothing sacred anymore?

If we can say goodbye

Is nothing sacred anymore?

I can hear the final words

Every sentence that was said

Don't know what turned our lives around

It doesn't matter who was right

There's no justice in a dream

Never thought a heart could break without any sound

Is nothing sacred anymore?

Is forever just another word

Is a promise something people used to keep when love
was worth fighting for?

If we can say goodbye

If we can say goodbye

Is nothing sacred anymore?

If we can say goodbye

Is nothing sacred anymore?

Is forever just another word?

Is a promise something people used to keep when love
was worth fighting for?

If we can say goodbye

If we can say goodbye

Is nothing sacred anymore?

If we can say goodbye

Is nothing sacred anymore
