And I never really sleep anymore, and I always get
those dangerous dreams
And I never get a minute of peace, and I gotta wonder
what it means
And I gotta wonder what it means

Maybe it's nothing and I'm under the weather
Maybe it's just one of those bugs going round
Maybe I'm under a spell and it's magic
Maybe there's a witch doctor with an office in town

Chorus:

Oh is this a blessing or is it a curse?
Does it get any better? Can it get any worse?
Will it go on forever or is it over tonight?
Does it come with the darkness? Does it bring out the
light?
Is it richer than diamonds or just a little cheaper than
spit?
(I don't know what it is)
I don't know what it is but it just won't quit
I don't know what it is but it just won't quit
I don't know what it is but it just won't quit
I don't know what it is but it just won't quit

And there used to be such an easy way of living
And there used to be every hope in the world
And I used to get everything that I went after
But there never used to be this girl, but there never
used to be this girl

Maybe I'm crazy and I'm losing my senses
Maybe I'm possessed by a spirit or such
Maybe I'm desperate and I've got no defenses
Can you get me a prescription for that one perfect
touch?

Oh is this a blessing or is it a curse?
Does it get any better? Can it get any worse?
Will it go on forever or is it over tonight?
Does it come with the darkness? Does it bring out the

light?

It's a stairway to heaven or a subway going down to the
pits

(Is it some kind of love?)

I don't know what it is but it just won't quit

I don't know what it is but it just won't quit

I don't know what it is but it just won't quit

I don't know what it is but it just won't quit

(Solo)

chorus

(I don't know what it is) I don't know what it is but it just
won't quit

(repeats 4x)

There was a time when nothing ever really mattered
There was a time when there was nothing I didn't know
There was a time when I knew just what I was living for
There was a time and the time was so long ago
There was a time and the time was so long ago
And I never really sleep anymore
