You don't need to sneak in the door just come on in to
the room

I've been lying in our bed in the dark all alone

I've been waiting, I've been waiting for you

There's been no reason to move, it's been as still as a
tomb

I needed you oh so badly tonight but I guess you had
better things to do

I should have know that it was coming to this

But I must have been blind

I bet you still got a trace of his love in your eyes

And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock

Now it's a quarter to 3.

Well whatever you got and whoever it was

I guess you couldn't get it from me

Whatever you got and whoever it was

I guess you couldn't get it from me

I know that you love me, there's no need to talk

I see the look in your eyes and I got the proof

And there are no lies on your body, so take off your
dress

I just want to get at the truth

I know that you love me, there's no need to talk

I see the look in your eyes and I got the proof

And there are no lies on your body, so take off your
dress

I just want to get at the truth

And there are so many things that I just got to know

You tell me who! You tell me where! You tell me when!

But don't tell me now, I don't need any answers tonight

I just need some love, so turn out the lights

And I'll be left in the dark again

Left in the dark again

I just need some love, so turn out the lights

And I'll be left in the dark again

Left in the dark again

I just need some love, so turn out the lights

And I'll be left in the dark again

Left in the dark again

I should have known that it was coming to this

But I must have been blind

I bet you still got a trace of his love in your eyes

And you still got his eyes on your mind

You swore you'd be with me at seven o'clock

Now it's a quarter to three.

Well whatever you got and whoever it was

I guess you couldn't get it from me

I guess you couldn't get it from me

But down in my soul - down in my soul I know
I know that you love me, there's no need to talk
I see the look in your eyes and I got the proof
And there are no lies on your body, so take off your
dress
I just want to get at the truth
And there are so many things that I just got to know
You tell me who! You tell me where! You tell me when!
But don't tell me now, I don't need any answers tonight
I just need some love, so turn out the lights
And I'll be left in the dark again
I just need some love, so turn out the lights
And I'll be left in the dark again
I just need some love, so turn out the lights
And I'll be left in the dark again
I just need some love, so turn out the lights
And I'll be left in the dark again
I just need some love, so turn out the lights
And I'll be left in the dark again
I just need some love, so turn out the lights
And I'll be left in the dark again
Left in the dark again
