Lost boys and golden girls, down on the corner and all  
around the world

Lost boys and golden girls

Down on the corner and all around, all around the  
world

Chorus:

It doesn't matter where they're going, or wherever  
they've been

'Cause they got one thing in common it's true

They'll never let a night like tonight go to waste

And let me tell you something, neither will you, neither  
will you

We gotta be fast, we were born out of time, born out of  
time and alone

And we'll never be as young as we are right now

Running away and running for home, running for home

Chorus

Neither will you

Lost boys and golden girls, down on the corner and all  
around the world

Lost boys and golden girls

Down on the corner and all around, and all around the  
world
