Every day of my life they say the same old thing

Hey boy! Oh boy, you better wait for your turn

And every day of my life I get the same old line

Hey boy! Oh boy, when are you going to learn

I wanna go on the red, I wanna go on the green

I wanna go on all colors that I see in between

I wanna run all the tolls, I wanna run all the signs

I wanna run all the way across a double white line

But every day of my life I see the same old road

Hey girl! Oh girl, we gotta pull up our routes

And every day of my life I see the same old dream

Hey girl! Oh girl, I need a dream I can use

I wanna go on the red, I wanna go on the green

I wanna go on all colors that I see in between

I wanna run all the tolls, I wanna run all the signs

My body is the car and my soul is the ignition

Your love will be the key and we'll jockey for position till
we -

Chorus:

Peel out! Peel out! Peel out! We're sick and tired of
waiting in line

Peel out! Peel out! Peel out! Nobody's taking our time

Peel out! Peel out! Peel out!

Tire tracks and broken hearts, that's all we're leaving
behind

There oughta be a law and there better be a crime

There oughta be a law and there better be a crime

(Instrumental break)

And every night of my life there's something holding
me back

Hey girl - what is it boy - oh girl, I know it's time to cut
loose

And every night of my life I dream of someone like you

Hey girl - what is it boy - oh girl, you got a dream I can
use

Tire tracks and broken hearts, that's all we're leaving
behind

My body is the car and my soul is the ignition

Your love will be the key and we'll jockey for position till
we -

chorus repeats 3x

Peel out!
