Mader than a mad man and bored to the core
Minute hand crawling can't take it anymore
Future's up the highway ya gotta get away
Gonna take a little trip and find a Tijuana stray
Got the time to take it
Got the balls to break it
Gotta car that'll make it
South of the border, don't drink the water
Gonna have a good time tonight
Crazy from the heat and runnin' for the red light
Oh Senorita, have two tequila
Heat seeker, Lord the will is gettin' weaker
Gonna have a good time tonight
Burnin' with the fever and runnin' for the red light
She ain't a teacher, she ain't a preacher
Just so close to holy that you're runnin' just to reach her
Time bomb is tickin', my heads about to bust
Need your personal attention or I swear I'm gonna rust
Find a little place no one will tell you what to do
Tell her I'm a rebel, she says "Yea, without a clue"
Just need some understanding a girl who ain't

demanding

Who ain't afraid to fake it, leave you breathless

She's one of a kind

Gonna have a good time tonight

Crazy from the heat and runnin' for the red light

Oh Senorita, have three tequila

Love seeker, Lord the will is gettin' weaker

Gonna have a good time tonight

Burnin' with the fever and runnin' for the red light

She ain't a teacher, she ain't a preacher

Just so close to holy that you gotta run to reach her

Need some understanding, a girl who ain't demanding

A little bad behavior, she's gonna be my savior

My knees are shakin', my back is breakin'

Oh Mama Mia, a Senorita

Gonna have a good time tonight

Crazy from the heat and runnin' for the red light

Oh Senorita, have two tequila

Heat seeker, Lord the will is gettin' weaker

Gonna have a good time tonight

Burnin' with the fever and runnin' for the red light

She ain't a teacher, she ain't a preacher

Just so close to holy that you're runnin' just to reach her

Gonna have a good time tonight

Crazy from the heat and runnin' for the red light

Oh Senorita, have some tequila

Need sneakers, Lord the will is gettin' weaker

Gonna have a good time tonight

Burnin' with the fever and runnin' for the red light

Just heard the bell, that got me outta hell

Got a girl, I gotta life
