Baby we can talk all night
But that ain't getting us nowhere
I told you everything I possibly can
There's nothing left inside of here
And maybe you can cry all night
But that'll never change the way that I feel
The snow is really piling up outside
I wish you wouldn't make me leave here
I poured it on and I poured it out
I tried to show you just how much I care
I'm tired of words and I'm too hoarse to shout
But you've been cold to me so long
I'm crying icicles instead of tears
And all I can do is keep on telling you
I want you
I need you
But there ain't no way
I'm ever gonna love you
Now don't be sad
'Cause two out of three ain't bad
Now don't be sad
'Cause two out of three ain't bad
You'll never find your gold on a sandy beach
You'll never drill for oil on a city street
I know you're looking for a ruby
In a mountain of rocks
But there ain't no Coupe de Ville hiding
At the bottom of a Cracker Jack box
I can't lie
I can't tell you that I'm something I'm not
No matter how I try
I'll never be able to give you something
Something that I just haven't got
Well there's only one girl that I will ever love
And that was so many years ago
And though I know I'll never get her out of my heart
She never loved me back, ooh I know
Well I remember how she left me on a stormy night
She kissed me and got out of our bed
And though I pleaded and I begged her
Not to walk out that door

She packed her bags and turned right away
And she kept on telling me
She kept on telling me
She kep on telling me
I want you
I need you
But there ain't no way
I'm ever gonna love you
Now don't be sad
'Cause two out of three ain't bad
Don't be sad
'Cause two out of three ain't bad
Baby we can talk all night
But that ain't getting us nowhere
