(McNabb)

There's food in the kitchen  
And there's money in the bank,  
A dog in the backyard, two fishes in a tank,  
Cable television and a library full of books,  
A sportscar by the front door,  
A pop song full o'hooks  
There's whiskey in the cupboard  
And there's vodka in a glass,  
Sunshine in the sunroom,  
Four different types of grass,  
You can take it with you,  
You can leave it all behind,  
It doesn't mean a thing to me,  
I got a woman on my mind

I got a woman on my mind  
I wish I'd never hurt her,  
She took so long to find.  
I got a woman on my mind,  
And there's nothing like a woman's touch  
When you're in a bind...

There's music on the tape deck,  
And there's good things to enjoy,  
Children playin' in the park,  
A girl for every boy,  
Summer came round early  
And they say it's leavin late,  
Roll on sweet September,  
I'm resigned unto my fate,  
There's nothing you could tell me  
That I think I wanna hear,  
Don't y'know it hurts like hell,  
D'ya need another beer?  
The memory of her sugar kisses,  
Fill me up inside,  
Runs around like china white,  
I got a woman on my mind
