You weren't in a rush  
You had an expectation  
Although a little curious  
A train hadn't left the station

But there's something in us  
Right between the eyes  
Connection, affection  
No chance of projection  
It couldn't be denied

So special to know that you are mine  
And I don't mind letting everybody know  
Never doubtin' Never hurtin'  
Definitely not desertin'  
I just won't let you go (3x)

Never go

Growing caution to the wind  
Not a game you expect to win  
I learned from experience  
But then you just won't ride on it

You woke me up like coffee  
Over done new chapter  
Awoke me, then stroke me  
Contend you to hold me  
So happy ever after

So special to know that you are mine  
And I don't mind letting everybody know  
Never doubtin' Never hurtin'  
Definitely not desertin'  
I just won't let you go

No

So special to know that you are mine  
And I don't mind letting everybody know  
Never doubtin' Never hurtin'

Definitely not desertin'  
I just won't let you go (2x)

You weren't alright
