"Swing Low Sweet Chariot"

Visit "[Swing Low Sweet Chariot](#)" on MotoLyrics.com

Well I looked over yawn
And what did I see
Coming forth to carry me home?
There was a band of angels
Are coming after me
Comin' forth to carry me home

Swing low
Sweet chariot
Comin' forth to carry me home

Well I'm sometimes up
And sometimes I'm down
Comin forth to carry me home
But I know my soul is heavenly bound
Is comin' forth to carry me home

Swing low
Sweet chariot
Comin' forth to carry me home

And you get there
Before I do
Comin' forth to carry me home
Tell all my friends that I'm
Coming too
Comin' forth to carry me home

Swing low
Sweet chariot
Comin' forth to carry me home

Comin' forth to carry me home
