I was alone
I didn't know you needed
Company
I didn't know you wanted
Something from me
I would have given you
All that I had
To be closer

I was on fire
Standing right there in
Your shadow
My eyes blinded by all
The desire I felt
I could be rescued
If you'd come inside
My life

And I thought it was all in my head

I could be everything
You wanted me to be
I could be the right one for you
And like they say in the film "Jerry McGuire"
You complete me
I complete you

You complete me

I was in bed
Dreaming of you on my pillow
Instead
I saw a face in the mirror
It said
I would be mad if I didn't believe
It could be

More than just in my head

I could be everything

When I'm in pieces
Falling apart
Without you
I come undone
Come undone

I could be everything ...
