Local God - Everclear

Go!

You do that Romeo  
Be what you wanna be  
Look like you're running in place  
Do that stupid dance with me

Do that Romeo  
That go-go Romeo  
I see you twist and turn  
You look so stupid, happy and numb

Be my Romeo  
Please be my voice in this world  
I can't sing the songs that you sing  
I can't find the gorgeous words

Will you be my Romeo  
My Ro-Ro-Romeo  
I see you twist and turn  
You look so stupid

I feel just like a local god when I'm with the boys  
We do what we want, yes, we do what we want  
I feel just like a local god when I'm with the boys  
We do what we want, yes, we do what we want

We do what we want  
Aaah, yeah, we do what we want

Be my Romeo  
Tell me all about your love  
Tell me all about your pain  
Baited breath and leather gloves

Be my Romeo  
My go Ro-Romeo  
I see you twist and turn  
You look so fucking stupid

Hmmm hmmm  
Aaah aye  
Ayayayayah

I feel just like a local god when I'm with the boys  
We do what we want, yes, we do what we want  
Go!

Summer days can lead to the bad times  
The world gets larger every day  
Yeah, yeah, the summer days can lead to the bad  
blood  
Because we're feeling stupid, happy, and numb

Oooh, stupid, happy, and numb  
I feel so stupid, happy, and numb  
Hmmm, stupid, happy, and numb  
I feel so stupid  
I feel so stupid

I feel just like a local god when I'm with the boys  
We do what we want, we do what we want  
I feel just like a local god when I'm with the boys  
We do what we want, we do what we want  
We do what we want, we do what we want  
We do what we want, we do what we want

We do what we want, we do what we want  
We do what we want, we do what we want  
We do what we want, we do what we want  
We do what we want, yeah, we do what we want

Go!  
Yes, we do what we want  
Oooh, yeah, we do what we want  
Oooh, yeah, we do what we want  
We do what we want
