So let me tell you the story of my life
I promise that it won't take very long
It's not about a hero but a boy running wild
A boy they used to call the golden child
I had no direction I was just running with the wind
Never knowing what the day might bring
I had no connection till you came into my world
You gave meaning to everything

Chorus:

I used to run I used to hide
I used to cry all night
I used to walk the streets alone
Nowhere to call my home
But when I looked into you eyes
The sun began to shine
You put me back upon my feet again
Now I.. Kiss the summer rain (Summer rain)
Kiss the summer rain (Summer rain)

The rain came falling down
It was never gonna end
Right in the middle of July
You smiled upon my heart
Made me a happy man
Even felt I was that golden child

Chorus:

I used to run, I used to hide
I used to cry all night
I used to walk the streets alone
Nowhere to call my home
But when I look into your eyes
The sun began to shine
You put me back upon my feet again
Now I...
I used to run, I used to hide
I used to cry all night
I used to walk the streets alone
Nowhere to call my home
But when I look into your eyes

The sun began to shine
You put me back upon my feet again
Now I... Kiss the summer rain

Oh Isha
Kiss the summer rain
(Oh Isha)

Ooh..
Summer rain (Yeah)
Ooh.. (Oh)
Summer rain
Ooh..
Summer rain (Oh, Yeah)
Ooh..

Chorus:
I used to run, I used to hide
I used to cry all night
I used to walk the streets alone
Nowhere to call my home
But when I look into your eyes
The sun began to shine
You put me back upon my feet again
Now I...
I used to run, I used to hide
I used to cry all night
I used to walk the streets alone
Nowhere to call my home
But when I look into your eyes
The sun began to shine
You put me back upon my feet again
Now I kiss the summer rain
Kiss the summer rain

(Oh)
(Summer rain)
Kiss the summer rain
Oh
(Oh Isha)
