I was thinking that maybe I'd get a maid
Find a place nearby for her to stay.
Just someone to keep my house clean -
Fix my meals and go away.
A maid - A man needs a maid.

To give a love, you gotta live a love.
To live a love, you gotta be "part of."
When will I see you again?

A while ago somewhere I don't know when
I was watching a movie with a friend.
I fell in love with the actress.
She was playing a part that I could understand -
A maid - A man needs a maid.

When will I see you again?
