Boy and girl fall in love
Dreamin under stars above
Meanwhile push comes to shove
Around the world

Leaders fall leaders rise
Terror wears a thin disguise
Not much room for compromise
Around the world
Around the world

Surfers roam seven seas
Sharing with the submarines
Experts count on war machines
Around the world

People sweat in planted fields
Students study what is real
Someone builds a laser shield
Around the world
Around the world

Fashion change - style change
Fashion change - style change - ooh ooh
Fashion change - style change

Hey! what's that you got on? You're sure looking good
tonight
Where'd you pick that up anyway? Wow! you're looking
beautiful!
Hey! you are somethin' else tonight
so skin tight... wooh, yeah come on, lets go out!

Why do we have to hate
Why do we incinerate
Why don't we illuminate
Around the world
Around the world
Why don't we illuminate
Why don't we illuminate
Around the world
