"Comin' Apart At Every Nail"

It's awful hard to find a job
On one side the government, the other the mob

Hey, hey ain't that right
The workin' man's in for a hell of a fight

Oh this country sure looks good to me
But these fences are comin' apart at every nail

Way up on the old dew line
Some of the boys were feelin' fine
A big light flashed across the sky
But somethin' else went slippin' by
Meanwhile at the Pentagon
The brass was a wonderin' what went wrong

Oh this country sure looks good to me
But these fences are comin' apart at every nail

Hey, hey ain't that right
The workin' man's in for a hell of a fight

Oh this country sure looks good to me
But these fences are comin' apart at every nail
