I think I'd like to go back home
And take it easy

There's a woman that I'd like to get to know
Living there

Everybody seems to wonder what it's like down here
Gotta get away from this day-to-day running around,
Everybody knows this is nowhere
Everybody everybody knows
Everybody knows this is nowhere
Everytime I think about back home
It's cool and breezy
Which that I could be there right now
Just passing time
Everybody seems to wonder what it's like down here
Gotta get away from this day-to-day running around,
Everybody knows this is nowhere
Repeat ...

Everybody knows everybody knows ...
