Come a little bit closer  
Hear what I have to say  
Just like children sleepin'  
We could dream this night away

But there's a full moon risin'  
Let's go dancing in the light  
We know where the music's playin'  
Let's go out and feel the night

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon

When we were strangers  
I watched you from afar  
When we were lovers  
I loved you with all my heart

But now it's gettin' late  
And the moon is climbin' high  
I want to celebrate  
See it shinin' in your eye

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon
