"Heavy Love"

I may not mystify you
In your search for higher love
I may just slip right by you
With your eyes turned up above

We may not compromise
I may not suit your taste tonight
My love
But as the time goes by
You might think that I'm all right
My love, my heavy love

My voice [a noise?], your phone is ringing
Or is that someone at your door
Inside your head I'm singing
Inside your heart I cry for more

You may not hear me calling
You may not feel me ball around [bawling out?]
My love
But heavy rocks are falling
Heavy love is coming down
My love, my heavy love

My voice [a noise?], your phone is ringing
Or is that someone at your door
Inside your head I'm singing
Inside your heart I dig for more

We may not compromise
I may not suit your taste tonight
My sweet love
But as the time goes by
You might think that I'm all right
My love, my heavy love

My heavy love [Repeat]
