I got a problem I can't explain
It's hard to solve it, I can't lose face
They all try to help me, but I can't see the light
Me and my shadow are so in despair
'Cause we keep hurtin' someone who cares
Ev'ry time we talk about it
I break out in a cold sweat
There must be some way outta here
But I can't find it yet

I got a problem that's so intense
I try to fight it, but there's no defense

Ev'ry time we talk about it
I break out in a cold sweat
There must be some way outta here
But I can't find it yet

I got a problem, I got a problem
I got a problem, I got a problem
Ev'ry time we talk about it
I break out in a cold sweat
