Once there was an Inca Queen
She gazed at her sundial
All around her workers raised
Golden idols to her smile
The waiting years weren't hard to see
Behind the tears of Mercury

She spoke of silver from the sky
And many floating safety boats
To pick them up when they would fly
Far above their dreams and hopes
And they a mountain city raised
Where their queen above the clouds
Could watch out

Inca Queen has, Inca Queen has come
Out in the jungle the drums were heard, Inca Queen
has come
>From the biggest elephant to the smallest bird, Inca
Queen has come
She spoke of silver from the sky Inca Queen has come
To pick them up when they would fly Inca Queen has
come

Once there was an Inca Queen
She gazed at her sundial
All around her workers raised
Golden idols to her smile
And though the air was thin and cold
Soon the day would come the queen had told
Inca Queen has Inca Queen has Inca Queen has come
