Colors on the street  
Red, white, and blue  
People shuffling their feet  
People sleeping in their shoes  
There's a warning sign in the road ahead  
There's a lot of people saying we'd be better off dead  
Don't feel like Satan, but I am to them  
So I try Forget them any way I can

Keep on rocking in the free world  
keep on rocking in the free world  
keep on rocking in the free world  
keep on rocking in the free world

I see a girl in the night  
with a baby in her hands  
Under an old street light  
near a garbage can  
Now she put her kid away, she's gone to get a hit  
She hates her life, and what she's done with it  
That's one more kid, that'll never go to school  
Never get to fall in love, never get to be cool

Keep on rocking in the free world  
keep on rocking in the free world  
keep on rocking in the free world  
keep on rocking in the free world

Solo

There's a thousand points of light  
For the homeless man  
There's a kinder, gentler machine gun hand  
There's department stores, and toilet paper  
Styrofoam garbage for the Ozone layer  
There's a man of the people, says people alive  
Got fuel to burn, got roads to drive

Keep on rocking in the free world  
keep on rocking in the free world  
keep on rocking in the free world

keep on rocking in the free world
