We've been through some things together
With trunks of memories still to come
We found things to do in stormy weather
Long may you run

Long may you run
Long may you run
Although these changes have come
With your chrome heart shining
in the sun
Long may you run

Well, it was back in Blind River in 1962
When I last say you alive
But we missed that shift on the long decline
Long may you run

Long may you run
Long may you run
Although these changes have come
With your chrome heart shining
in the sun
Long may you run

Maybe The Beach Boys have got you now
With those waves singin' "Caroline No"
Rollin' down that empty ocean road
Gettin' to the surf on time

Long may you run
Long may you run
Although these changes have come
With your chrome heart shining
in the sun
Long may you run

Long may you run
Long may you run
Although these changes have come
With your chrome heart shining
in the sun

Long may you run
