There's a lot to learn  
For wastin' time  
There's a heart that burns  
There's an open mind

Look out for my love  
Look out for my love  
Look out for my love  
Look out for my love  
You own it  
You own it now  
You own it

There's a weight on you  
But you can't feel it  
Livin' like I do  
It's hard for you to see it

Was I hurt too bad?  
Can I show you the daylight?  
How could I be sad  
When I know that you might

Look out for my love  
Look out for my love  
Look out for my love  
Look out for my love

It's in your neighborhood  
I know things are gonna change  
But I can't say bad or good

Silver wings of mornin'  
Shinin' in the gray day  
While the ice is formin'  
On a lonely runway

Hydraulic wipers pumpin'  
'til the window glistens  
Somethin' sayin' somethin'  
No one seems to listen

Men with walkie-talkies  
Men with flashlights wavin'  
Up upon the tower  
The clock reads daylight savings

I'm home again to you babe  
You know it makes me wonder  
Sittin' in the quiet slipstream  
Rollin' in the thunder

Look out for my love  
Look out for my love  
Look out for my love  
Look out for my love

Look out for my love  
Look out for my love

Look out for my love  
Look out for my love  
Look out for my love  
Look out for my love
